ASK E. J. JENKINS.

Parisian Sage, the Hair Grower, is Now Sold in America on Money Back Plan.

It's a mighty good thing for the women of America that Parisian Sage can now be obtained in every town of consequence.

No preparation for the hair has done so much to stop falling hair and eradicate dandruff and make women's hair beautiful as Parisian Sage.

Parisian Sage is the only certain destroyer of the dandruff microbe which is the cause of 97 per cent of hair troubles.

These pernicious, persistent and destructive little devils thrive on the ordinary hair tonics.

Parisian Sage is such an extraordinary and quick acting rejuvenator that E. J. Jenkins, who is the agent in Bryan guarantees it to cure dandruff, stop falling hair, and itching scalp in two weeks or money back.

Parisian Sage is most daintily perfumed. It is an ideal preparation, not sticky or greasy.

It is a magnificent dressing for women who desire luxuriant, lustrous hair that compels admiration.

And a large bottle of Parisian Sage costs only 50 cents at E. J. Jenkins and at leading druggists everywhere. The girl with the Auburn hair is on every package. Made in America by Groux Mfg. Co., Buffalo, N. Y., who fill mail orders, all charges prepaid.

HYOMEI

Passages too frequent, scanty, painful.

It's time then to use Doan's Kidney Pills.

To ward off Bright's disease or diabetes.

Doan's have done great work in Bryan.

John J. Stacey Sr., Bryan, Texas, says: "When 17 years of age I strained my back and from that time until I was relieved by Doan's Kidney Pills, I suffered terribly from pains in the small of my back. I was also bothered greatly by irregular passages of the kidney secretions. Finally I had the good fortune to hear of Doan's Kidney Pills and making up my mind to try them, I obtained a box at Emmel & Maloney's drug store. They strengthened my kidneys and relieved the pain in my back, thereby convincing me of their value."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

AN OVERSIGHT.

It was an oversight in the Eagle yesterday afternoon in omitting the initials of the contributor of the beautiful poem published, entitled "The Old Campmeeting Ground." The poem was from the gifted pen of Mrs. Eliza Townes Johnson, one of Bryan's honored and talented southern ladies.

COLORED CONFERENCE.

The A. M. E. Texas annual conference will convene in this city tomorrow morning with Allen Chapel, Bishop Evans Tyree of Tennessee, arrived today and will preside over the conference. Large numbers of delegates came in today by every train.

What will the freak college men be telling us next? A Tennessee college president has made a bid for notoriety by declaring that "there is nothing equal to the immorality of rural life," and recommending to parents to rear their boys in the city because of its superior moral advantages. That man is out of place in the South. Chicago is the place for him.

In one of his most pathetic poems, Bryant sang mournfully of the death of the flowers and the cold November rain. If he had lived in Texas inhaling the balmy breezes laden with the perfume of myriads of flowers and his spirit drinking refreshment from the genial November showers, that dirge of nature would have been a pean of joy.

If Beaumont and San Angelo are growing as fast as their respective newspapers, the Enterprise and the Standard, they will both soon be whoopers. Come to think of it, an air line railroad from one to the other would pass through Bryan. Let's build it.

To-day a well known negro who lives in the bottom offered a Bryan lady three turkeys at 8 cents a pound. She bought one for Thanksgiving, thinking that was enough. When she told two of her friends about it they got fighting mad because she didn't buy the other two for them and she is "heretick" because she didn't buy another for Christmas. Turkeys in turkeys this year.

A prominent preacher declared in a mass meeting in Dallas: "A man who boasts of being a local optionist is a local liar." If he placed strong emphasis on the "boasts" possibly he is right, but the same would be true of a boasting prohibitionist; or, indeed, any other boaster. If he did not stress that word his Annals club outnumbers Roosevelt's a thousand to one.

How many citizens of Bryan appreciate the fact that increasing the product of any acre is Brazos county augments the volume of Bryan's business and raises the value of town property? How many Brazos county farmers realize that every person added to the population of Bryan helps to make a better market for their products?

Commenting on an Eagle paragraph the Houston Post says: "Which is prose of a high order and marks time in the cycle of the years." This compliment is the more highly appreciated because the Post is not a gusher who dispenses flattery without discrimination. In this instance it tempers the compliment with criticism: "The Eagle is as fierce of adjective as are its claws sharp." The Eagle is as gentle as a sucking dove to all who love the true, the beautiful and the good, re-

serving its fierceness and its claws for the enemies of righteousness and true democracy.

NEWS BRIEFES.

Ex-Sheriff Shipp of Tennessee and five companions have been placed in the Federal prison at Washington being convicted of contempt of the U. S. Supreme Court. Shipp and one other were in contempt because they failed to protect a negro from a mob whose legal execution had been stayed until his case could be reviewed by the Supreme Court. Shipp and two others were given ninety days while the other three were given sixty days. They have been assigned to good quarters and are well cared for.

Attorney General Davidson has announced as a candidate for Governor of Texas. He will resign as attorney general on Jan. 1st and enter upon an active campaign. He favors: The proper care and support of Confederate veterans and their wives and widows; enlargement and improvement of the eleemosynary institutions; encouragement and development of the agricultural, commercial and industrial resources of the state; improvement of the laws affecting taxation; reform of penitentiary system; improvement and extension of public school system; enforcement of all the laws of the state; divorce of the University from A. and M. College; fidelity to platform mandates; favors local option instead of statewide prohibition; favors submission.

The President has issued his annual Thanksgiving proclamation, setting apart Thursday Nov. 24th as a day to lay aside all usual vocations and give thanks for the blessings of the past year.

Texas Christian University of Waco decorated the Southwestern University of Georgetown in football at Dallas yesterday, score 12 to 0.

W. J. Bryan has taken out a hunters license for Texas and will spend some time in this state hunting.

Loss from floods in Jamaica is estimated at 50 lives and \$1,250,000 in property.

Old Days on the Stage.

I have known a dress coat handed from one to another in the wings several times during a performance. It was a current idea that white cotton stockings assumed the appearance of silk from the front by making a heavy line of white chalk on the shin bone. A white tie was easily made from a strip of note paper, and even a shirt front could be managed from highly glazed note paper. White cotton gloves were de rigueur in place of the more expensive kid ones. A comedian, having no black stockings, once blacked his legs. After the show he asked the stage manager, "Do we play this piece again?" "Yes, next week." "Oh, then I need not wash my legs!" —From "Ramblings of an Old Mummer," by Russell Crauford.

Might Have Been Worse.

"Poor bye!" exclaimed O'Hara, con-doing with Cassidy, who had been injured by a blast. "Tis tough luck to have yer hand blown off." "Och! Faith, it might 'ave bin worse," retorted Cassidy. "Suppose O'd had me week's wages in it at the time!"
